Explanatory Notes

1. Small, medium or large membership is based on annual turnover. This includes Trusts and Community Interest Companies.
2. Annual turnover can be calculated as your 12-month operating year or your financial year – provided it is a period of 12 months.
3. Charitable small, medium or large organisations are based on annual turnover without VAT charge.
4. Turnover is self-declared and relies on the integrity of the business to identify their Orkney tourism-related revenue accurately.
5. Supplier to Members membership is available to all businesses based in Orkney who provide a service to our full members.
